\$> ./about

Hey there, I'm Andrew!

I'm a tech and computer enthusiast, a designer, a programmer, and I *try* to play music.

I love creating things like software, websites, web apps, graphics - all sorts of stuff!

I'm also really interested in audio/visual production, and play with sound and lighting consoles!

Education

2nd Year Electrical Engineering and Computer Science at University of New South Wales

WAM: 73.556

High School: Sydney Technical High School

Phone: (02) 9587 5899

Work

| Audio Visual Event Technician @ University of New South Wales | *Phone: (02) 9385 1515*

Interacted directly with clients to provide on-site setup, operation and troubleshooting of audio/visual equipment.

| Office Assistant @ Kirkplace Presbyterian Church | *Phone: (02) 9587 1081*

Performed logistical and administrative office tasks including creating presentations, data entry and filing of documents. Additionally, engaged in community outreach work.

| Audio Visual Technician @ Lightsounds Kingsgrove | *Phone: (02) 9560 0300*

Provided testing and technical maintenance of audio/visual equipment.

| Production Crew, Content Creator & Editor @ RICE Movement | *Website: ricemovement.org*

Managed the visual on-screen aspects of the RICE Rally 2018 youth event.

Additionally filmed and edited videos for the RICE Catalyst team
